

Certificate of Attendance

The AMRC Training Centre is pleased to present
this course certificate for the successful
completion of:

Continuous Improvement - Green Belt

Awarded to: Gus Escobar

Date: 11th - 19th April 2016

Duration: 5 Days

Venue: AMRC Training Centre, Rotherham

Programme:

Understand DMAIC and how to manage structured projects within this
framework methodology

Lead project teams and meet objectives on time and in full as defined

Recognise the need to sustain project results and practical tools to ensure
that
they are controlled

Prepare the delegates for project leadership by ensuring they have
the knowledge, skills, experience and behavioural competencies
needed to deliver the full range of continuous improvement
activities within the business
